Bible Quizzing

... God's Word in the heart of Teens ...

WHAT IS BIBLE QUIZZING:

Bible quizzing is a youth oriented Bible study method which has as the end result hiding God's Word in the hearts of teens so they can apply this to their every day life. Bible Quizzing is a ministry that encourages junior and senior high school students (6th-12th grade) to study and memorize God's Word through competition. Each year a specific portion of scripture is chosen (eg. Matthew, the Epistles, or 1 & 2 Corinthians) and quizzers will study that scripture throughout the school year. The competition comes when quizzers are matched with other quizzers to see who can answer the most questions about this specific portion of scripture. This is done on a weekly basis during Quiz practice, periodically at local tournaments, and annually at Regionals and Nationals.

MISSION:

The Mission of Bible Quizzing is "to instill Biblical truths in the hearts of teens, establish them in their faith, and prepare them for Christian service through the systematic study, meaningful application, and memorization of the Word of God."

2009-2010 QUIZ YEAR:

We are studying 1st and 2nd Corinthians.
Practices are from 6:30-7:45 p.m at the South Campus.
Come join the fun!!!

[Thursdays Ladies Bible Study](#)

Details :

Thursday Ladies "Mocha on the Mount" Bible Study...

a study that examines the Sermon on the Mount and the Beatitudes.

The Coffee Cup Bible Study Series has the understanding that a woman's time is precious and is patterned in such a convenient way that it can be read during brief lulls in her daily schedule- short windows of opportunity that allow for meditation and study (breakfast, lunch, coffee, breaks etc.) Jesus' Sermon on the Mount is not comprised of a list of do's and don'ts that, if followed, will ensure or aids one's entrance into the Kingdom. It is a sermon in which Jesus gives the characteristics of the person who will enter His Kingdom. So let's follow Jesus' message in this exciting new series
