Welcome to *The Scalloped Edge* !

Our rustic log home was built by my husband Scott who carefully selected and hand peeled over 100 logs to create this rustic paradise. The interior boasts elegant log banisters and handrails all hand-crafted by Scott.

The Scalloped Edge is nestled on eight private wooded acres in the heart of upstate New York's Adirondack Park near beautiful Schroon Lake.

We are excited to share this "Hospitality at its best" Bed & Breakfast with you!

More important than my husband's craftsmanship and ability in creating this beautiful home is our relationship with Jesus Christ, the Master Craftsman.

The Bible says, "*For we are God's workmanship, created in Jesus Christ...*" Just as *The Scalloped Edge* is a reflection of Scott's craftsmanship, we want our lives to be a reflection of God's love. God demonstrated His love by sending His Son, Jesus, to this earth to bridge the gap between God and Man. Our sin separates us from God. Unfortunately, the payment for sin is death. But God, in His love and mercy, sent Jesus to die in our place that we might live with Him in heaven forever, once our life on earth has ended. We have accepted Jesus' death as payment for our sins, and it has changed the course of our lives! God's free gift of sins forgiven now and heaven later is available to all who believe.
